

The Cyprus Gazetteer Project

18.45 Tuesday 3 November 2015

Nash Lecture theatre (K2.31), Strand Campus, King's College London

The project, based at the Centre for Hellenic Studies / Department of Classics and in the Department of Digital Humanities, King's College London, will be launched with an evening of short presentations:

Its two components, the *Heritage Gazetteer of Cyprus* (HGC) and the *Inventory of Byzantine Churches of Cyprus* (iBCC), will be presented by Prof. Charlotte Roueché, Dr Stuart Dunn and Dr Tassos Papacostas:

<http://ibcc.dighum.kcl.ac.uk>

Dr Marina Solomidou-Ieronymidou (Director, Department of Antiquities, Cyprus) and Dr Antonis Hadjikyriacou (Foundation for Research and Technology-Hellas) will then present short papers on the digitization of ancient monuments and on toponyms in Ottoman Cyprus, respectively.

There will be a reception following the presentations

The event is free and open to all, but please register on
